2004: "Thank you again for all that you have done for the Light the Night Walk. This year was our most successful. With the four area walks, we were able to raise 1.25 million (and counting!). We couldn't do it without the tremendous community support. Swiftkick has played a huge role in the growth of the Loudoun County Walk. We should be getting some great pictures up on our site in the next few weeks and will definitely link to your site."

2003: "Thank you and the rest of the Swiftkick Band. You were a huge hit once again at the South Riding Light the Night Walk. Your generosity and talent truly made the event!"

2002: "I wanted to thank you and the band for playing at the Walk. Your publicity was great! We look forward to working with you next year."
